

NUMUW - Company Profile

Growth Systems Studio for Egyptian Businesses

Positioning

NUMUW builds practical digital growth systems instead of disconnected services.

Founder-led delivery with clear scope, testing, handover and ownership.

What We Build

Digital presence and conversion websites

SEO and local visibility

Workflow automation and practical AI

CRM, KPI dashboards and measurement

Ongoing growth and optimization

Who We Serve

SMEs, industrial companies, B2B businesses, real estate and ecommerce teams.

Operating Principles

Problem first. Clear scope. Test before handover. No lock-in. No fabricated proof.

Proof Policy

No invented client logos, testimonials, awards, rankings, ROI or performance numbers.
